

IQAC-SSR Committee Meeting

The review meeting of IQAC-SSR was conducted on May, 6, 2021 on ZOOM platform between the Principal, Prof. Ruhi Kanth and IQAC committee, SSR committee and program coordinators.

The review on the following points was taken:

1. PLOs/CLOs
2. Delay in orientation
3. online/offline self-study courses
4. Student presidium
5. Value added courses
6. Revision of prospectus

All the participants said that the progress has been made on all the areas mentioned above. The members were given more time to complete the assignments given in the earlier IQAC meeting taken on 26th April, 2021.

The other points on agenda were:

1. Comprehensive review of criterion-2
2. Preparation of handbook on internship that could include details and guidelines for practice across programs.
3. AQAR submission

The review of criterion 2 was set for 7th of May and the concerned group leader, Dr Mohammad Ashraf Wagi was directed to present the completion details before IQAC-SSR committee.

Fazl Illahi suggested the preparation of internship handbook that could include details and guidelines of practice across all programs so that students and the faculty are able follow a broad framework chalked out in the internship handbook. This could provide a proper direction and do away with confusions and communication gaps during the school internship. This handbook, it was said, must be exhaustive to cover all the programs. The responsibility of developing a broader internship framework was given to Dr.Shamsuddin Ahangar.

Fazl Illahi, SSR committee member, flagged a point that due to the lockdown the submission of AQAR could become difficult for him and SSR committee. The meeting could not come out with any strategy for AQAR submission because most of the files and bulk records are lying in the college premises, and due to COVID-19 restrictions it's not possible for the faculty and other employees to compile the required details.

The committee resolved to meet immediately after Eid-ul-fitr over ZOOM or at college wherever possible.

The following members attended the meeting with Principal: Dr. Nazir Ahmad, Dr. Rubeena, Dr. Shamsuddin, Fazlillahi, Dr. Mohammad Yasin Pir, Dr. Mohamad Ashraf Wagi, Dr. Shaheen Rasool and Dr. Roshan Ara.

The meeting concluded by vote of thanks initiated by Dr. Nazir Ahmad Bhat.
