

REPORT

In compliance to the order issued by *Principal Govt. College of Education* vide no. GCOE/IASE/22/1420 dated 23/07/2020. I *Ab Gani Kumar* Mentor/ Coordinator Internship Program District Pulwama for B.Ed 2nd Semester, Session 2022 visited allotted Secondary Schools i.e. *Government Girls Higher Secondary School Pampore & Government Girls Higher Secondary School Pulwama*, today on 23/07/2022 to inspect the internship program. During the visit I found all the interns were present at their respective schools and were busy in their assignments.

Interns of Government Girls Higher Secondary School Pampore had organized Cleanliness drive in the school campus in collaboration with the school administration, and the interns of Government Girls Higher Secondary School Pulwama had organized the painting competition. Prizes were distributed to felicitate the first three toppers at the backend of the painting competition. Pertinent to mention here, that all these activities were as per the schedule already submitted to the college by the interns of respective schools.

On both the centers the U/signed also guided the interns regarding the preparation of Reflective Journal.

Hence the report is submitted.

Ab Gani Kumar
Mentor/Coordinator
Internship program B.Ed 2nd Sem.
District Pulwama
