Report on One Training Programme on 3rd August, 2022.

One day training programme on “**Development of Educational Films**” was organized by the Department of Computer Applications on 03-08-2022 in collaboration with Department of Media Studies, Govt. Degree College, Baramulla for IG B.Ed-M.Ed 6th semester students. The training programme was conducted by the Department of Media Studies in the campus of Govt. Degree College, Baramulla. The principal of the host college, Prof. (Dr.) Mohammad Farooq Rather welcomed the participants in the campus. There were 40 student participants in this workshop. Dr. Danish Nabi, Assistant Professor, Department of Media Studies reviewed and analysed the scripts of the students in continuity with previous workshop. Prof. Akhter Neyaz Bhat exposed the students with components of scripting writing. He also deliberated on the several aspects of post-production with special focus on editing effects. The participants visited different sections of Media Studies Department and the Studio and were exposed to their functioning by the faculty of the host college. They also learned about 3-point lighting and Chroma Key Usage. The participants were also exposed to different video editing and sound editing softwares in the lab. Later in the day the scripts were submitted by the students to the faculty members and were found to be professional in nature.

In the last session, a brainstorming session about technical aspects of development of educational film was conducted in which students actively participated and requested for organizing more training programmes and visits of such kind in the future for their overall professional development.
