REPORT ON BLOOD DONATION CAMP

A Blood Donation Camp was organized by the Health Centre of the Govt. College of Education (IASE), M.A. Road, Srinagar in collaboration with Govt. Medical College, Srinagar on 22.06.2022. In the blood donation camp a huge number of students/teachers donated the blood. It was a gesture by the institution in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 Million Units, the problem can be addressed if an additional 2% of Indians donate blood, as open by health experts. We need 12 Million units of Blood every year but just about 9 Million units are being donated. Our college has been regularly organizing Blood Donation Camps. Students and the faculty members come forward voluntarily to donate blood. Prof. (Dr.) Seema Naz, Principal applauded the students for their humane gesture. Blood donation can save lives of innumerable people. It is a great service to humanity and contribution to the society as general.

The programme was conducted under the supervision of Dr. Shaheena Akhter, Coordinator Health Centre and Mr. Arshid Sualeh.
